Dear Volunteer,

Pacific Assist is an Australian based not-for-profit charity serving the nations of the South Pacific. Our mission is to inspire individuals, families, and communities to be emotionally, physically, economically, and educationally self-reliant. We undertake a range of self-reliance building projects among disadvantaged communities.

An important part of documenting, celebrating, and promoting our work is the collection of photographic images and video footage. We utilise these resources as part of telling the story of the donors, volunteers, and recipients who collectively make up the Pacific Assist experience. Photos and video clips are utilised for such purposes as website presentation and information, media releases, news articles, and promotional material.

When we enlist volunteers, we seek permission to take photos and video clips of them. The photos and videos we take may be displayed on our website or other promotional material (as indicated above). In this process we are always mindful of the rights and dignity of the individuals whose images are being recorded. Our purpose is always to use images and clips to tell uplifting, dignified, positives stories. To view a sample of how we utilise photos visit <https://www.pacificassist.org/gallery> or <https://www.pacificassist.org/latest-news> .

To provide your consent to be photographed and/or videoed, please read, complete, and sign the attached Photographs - Video Release and Waiver form and return it via email to clive@pacificassist.org or in person to your Pacific Assist's Project Coordinator.

We thank you for your generous support.

Regards,

Richard McLean.
